## REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 3-4, 6-9, 11-15, 18-24 and 26-31 are allowed as amended, because the prior art does not teach or fairly suggestive of a method of manufacturing a paste and a filtration apparatus, specifically comprising a nonwoven filter having a multitude of sintered folded linear metal fibers and porous aggregate of metal particles, and filtering through a wire gauze of knitted metal wires, and a second non-woven sintered metal filter bed for the filtration of the paste, their configurations in the filter apparatus meeting the limitations of the instant claims by the applicants.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kallambella Vijayakumar whose telephone number is 571-272-1324. The examiner can normally be reached on M-Th, 07.00 - 16.30 hrs, Alt. Fri: 07.00-15.30 hrs.
